Breakfast & After School Clubs

We appreciate how the school day does not always fit with a parent's working day and so at Pashley Down Infant School we are proud to be able to offer our Earlybirds and Ladybirds Clubs. Both clubs are run daily and offer childcare in a safe, happy, stimulating and relaxed environment whilst maintaining the same high level of values demonstrated throughout Pashley Down School. The Clubs are based in the Hive, which is located at the back of the school and offers great facilities with a large outdoor playing area. The club now has access to the DT room where we do cooking, art and crafts with the club children. This will be especially good in the winter when it is colder and there is less daylight

Booking for both clubs is available through the Magic Booking link
