

Pashley Down Infant school—Knowledge Organiser

EYFS	Project: Keeping healthy and	Focus: Oliver’s Vegetables	Term: Autumn 2
------	------------------------------	----------------------------	----------------

Prior learning: What I should already know

- I can listen to stories.

By the end of the unit ...

- I know what plants need to grow
- I can describe some plants
- I can use my senses to explore outside
- I know about healthy and unhealthy foods

	Vocabulary
Spinach	
Rhubarb	
Cabbage	
Beetroot	
Pea pod	
Planting	When we put seeds and bulbs in the ground to grow.
Growing	When the seeds and bulbs that we have planted begin to shoot out of the ground.
Heathy	Foods that are good for us and help us grow and stay well.
Unhealthy	Foods that we shouldn’t eat all the time as they aren’t good for us.

Experiences:

- Visiting the allotment and greenhouse
- Planting seeds and bulbs.
- Food sorting and tasting
