

Pashley Down Infant school—Knowledge Organiser

EYFS	Project: Keeping healthy and staying safe	Focus: People who help us	Term: Autumn 2
-------------	--	----------------------------------	-----------------------

Prior learning: What I should already know

- I can name some people who can help me

By the end of the unit ...

- I can talk about the different jobs people do.
- I can talk about the roles of people in society.
- I know to call 999 in an emergency
- I know how to keep medicines safe
- I know how to look after my teeth

	Vocabulary
Fire fighter	A person who works for the fire service
Police officer	A person who's job it is to enforce the law
Siren	The sound made be a police car, fire engine or ambulance
Paramedic	A person who helps people who are sick or injured and call for an ambulance.
Medicine	Something that we take when we are poorly to help us feel better.
Dentist	A person who helps us look after our teeth
Doctor	A person we can go and see if we feel unwell

Experiences:

Police visit
