

Pashley Down Infant school—Knowledge Organiser

Year 2	Subject: Design & Technology	Focus: Textiles, designing and	Term: Spring 1
--------	------------------------------	--------------------------------	----------------

Vocabulary

Running stitch	a simple needlework stitch consisting of a line of small even stitches which run back and forth through the cloth without overlapping.
Quilt	a warm bed covering made of padding enclosed between layers of fabric and kept in place by lines of stitching. These are usually in a decorative design.
Material	Cloth or fabric
Sewing	Sewing is the craft of fastening or attaching objects using stitches made with a sewing needle and thread.

Key Information to consider when designing:

User	Who is your product for? What are their needs, wants, values, interests and preferences?
Functionality	Will your design work and function effectively?
Design Decisions	What form will your product take? How will it work? Who is the product for?
Innovation	How is your design slightly different from others?

By the end of the unit I should know...

Designing means an outline, sketch, or plan, as of the form and structure of a work of art to be made.

A patchwork quilt is a quilt in which the top layer may consist of pieces of fabric sewn together to form a design.

How to complete a running stitch.
