Mary just turned four and Archie is eleven and a half. They have two cats, three dogs, one hamster, three mice and a horse, this is why they have not got any money. Honey was a very kind hearted girl and magical! One bright, sunny afternoon her hair was dazzling and she had a special secret can you guess what it was? Yes you get right she was very good in gymnastics. She had been doing gymnastics since she was four. Honey was best at flipping the hoops. One beautiful morning when the sun was shining Honey was starring out of the window thinking about something that she was despret to do she despret to compete in the gymnastics finals but Honey and her family didn't have enough money. She needed money to pay for a gymnastics siut and pretty things for her hair for the competition. Honey was really good at the hoops but not the high bars and she needed to jump off the high bars and land perfectly so she needed help from her best friends Bonnie and Olivia, when the show day came around Honey was well prepared and when it was Honey's tern she was amazing because Olivia and Bonnie had been training her. She was perfect on the high bars, she was perfect flipping hoops, she was perfect on the floor and she was perfect on the balence beam. She was exelent at everything and all of her team had the perfect landing so they all became champion gymnasts and they all won a gold medal but Honey wa so good that she also won a golden trophy. After the finals Honey felt so happy that she won. So she joined other harder gymnastics competitions and got to go to dancing school at one of pauline Quirk's Academies with her friends were they put on lots of shows and also lerned how to sing and dance on stage. And at the end of all those years Honey won a dazzling, bright and golden hoop for all her amazing, hard work. Her gymnastics helped her to get so good at singing and dancing that by the time she was Eleven she learned how to play Matilda in the musical on stage and she won trophies and medals for that too. She was so so so amazed and so intellegent that she became a star for everything in the whole entier world.
