

Under The Sea and Over The Waves

Welcome to our 'Under The Sea and Over The Waves' project which kicks off in term 3! We will continue to be going outdoors lots so be sure to send your child in wearing warm clothes! We are very excited to get stuck into this exciting project which will involve a Pirate Day!

Once again, we are inviting all parents into school to be a part of our learning, drop in dates are in the dates list.

We will be introducing the Rhino of Respect and each child will be coming home with a chart to complete at home.

Learning at Home

Phonics and reading - Thank you so much for your support with reading and phonics at home. We will be having a reading drop in this term where you can come and see what we do in class and ask any questions you may have about reading. Please do continue reading regularly at home, and don't forget to sign your child's diary! We are currently working through Phase 3 phonics and will continue to send cards home.

Reading books - Please remember to return the weekly phonics books that are given out on Monday as we have class sets of these and the comic sheets as these are also in class sets. Children are welcome to change their spot books at any time throughout the week as they come in the door in the mornings.

Christmas Task

Please post 3 Christmas photos on Tap-estry as we will be writing Christmas poems on the first day back thinking about what we see, hear, smell, taste and feel!

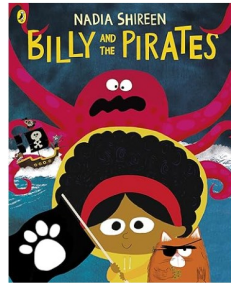

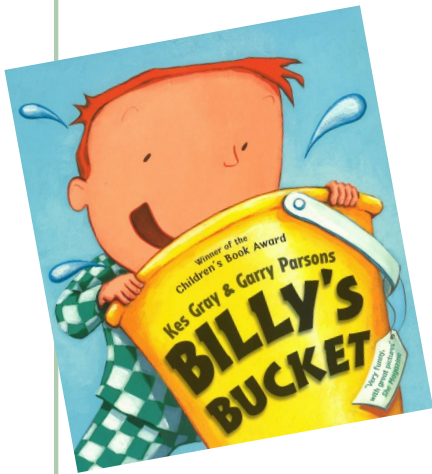

Holiday Project

We would like the children to create an under the sea creature, for the corridor for term 2. They can do this in any way they choose. **Please make sure these are named and there is a way to hang up their creations.**

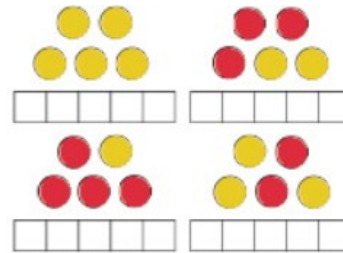

Learning at Pashley

We are going to be enjoying a range of texts this term!

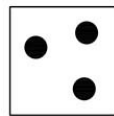

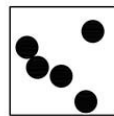

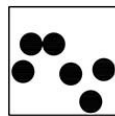

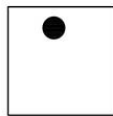

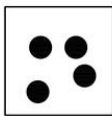

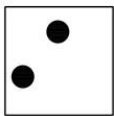

In Maths, we will be looking at. . .
