

Pets

Welcome to our 'Pets' project which kicks off in term 5!

Let's hope the start of the summer term gives us the sunshine we need and we are far from the wet weather that we've been having! Term 5 is another busy and exciting one with lots planned. We are lucky to have Mrs Hutchinson along with us too. She is the fountain of knowledge when it comes to animals so we are looking forward to learning all about them.

Do you know a **vet** who would be willing to come in to speak to each of the classes about their job and some of the animals they treat? If so, please dojo us.

We are creating an **outside 'tea room'** in our Construction area on the terrace and would love some bamboo/plastic cups, an old kettle, an old toaster etc. If you have any items that you think might be useful, please dojo.

Learning at Home

Reading - Thank you for all your continued support with reading at home. It is still making a huge difference. Please do continue to read regularly at home, and don't forget to write in your child's diary! Reading regularly is crucial for children at this stage of development.

Remember to encourage your child to change their dotted school book in the morning as they come in if you feel they need something new to read!

Phonics - We have now finished learning all phase 2 and 3 sounds and are now working on phase 4 blends. Please continue to practice the phonics cards and help your child to segment and blend any new words when reading them with you at home. Any sounds they struggle with can be written in the bottom section of the diary. On Fridays we will begin sending home the Phonic comics again.

Once again, we are inviting all parents into Early years to be a part of our learning: **Drop in dates are on this letter.**

Please could you print off and send in a **photo of your child's pet** for us to display in our classrooms. If they don't have a pet they could bring in a photo of a friend/family member's pet or print off a picture of a pet that they would like!

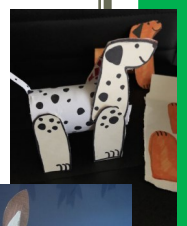

Tricky Words

Please continue to practice reading out Tricky words from the yellow sheet!

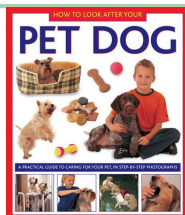

Holiday Project

It would be great if children could choose a pet to create for the corridor this term. **Please make sure there is a way to hang up your masterpiece!**

Learning at Pashley

We are going to be enjoying a range of 'Pets' books in term 5 including . . .

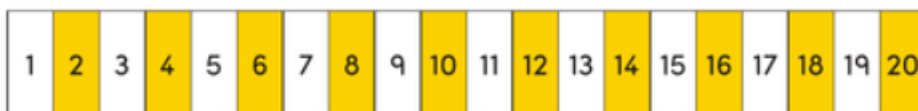

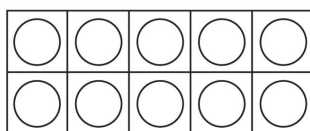

We are going to be practising zig zag letters:

In Maths, we will be looking at. . .

Counting to 20 and beyond, tens frames, doubles, number tracks
