

Beside the Seaside!

In Term 5, Year 1 will be exploring the history of seaside towns, with a focus on Eastbourne. The children will be exploring how and why seaside towns developed into tourist resorts, and how societal inequality in the Victorian period was a factor in who could take holidays and what people could do. They will also discover how the building of railways played a big factor in bringing tourists to the sea! This will link in with the children's Geography learning; comparing our coastal location to other parts of the UK, and learning the four seas surrounding the UK.

Home learning Task

Create some beach scavenger art

If you visit the beach this holiday collect some flotsam and jetsam and see what you can make to hang in our corridor! Some options are displayed above. Another option is to make some art on the beach and take a photo to bring in and display....we can't wait to see what you create!

Trip to the Downs -

Weds 15th May: 9:00 - 11:30am. We Need You!

We will be taking Y1 for walk on the downs and will need some parent helpers to accompany us! If you can help please message your class teacher.

Maths

This term we will be learning a variety of mathematical skills including:

Position and Direction - Describing position, movement and direction including whole and half turns.

Fractions - Recognising and finding a half of objects, shapes and numbers.

Place Value - Counting, understanding, reading and writing numbers to 100. Partitioning these into tens and ones.

Weight - Using the language of heavier and lighter to compare mass, and to begin to measure and record weights.

Division - Calculate using pictures and arrays (in 5s and 10s).

Things to do at home:

Create your own treasure map and find objects using positional language.

Counting in 5's/10's: Count around the clock in 5's to consolidate learning on time.

Watch this Jack Hartmann song counting in 10's and join in! <https://www.youtube.com/watch?v=W8CE0LAOGAs>
